Subject: Open Positions for AEI Executive Board functions

Dear Colleagues,

As always, AEI Executive Board will have elections during the upcoming AEI Annual Congress in Hamburg, Germany for positions in this board. These elections are open to candidates from affiliates who have regularly paid their fee.

We ask our affiliates to seek amongst their licensed members candidates for these positions. We all want AEI to operate on our behalf but without volunteers this does not happen.

We seek persons with a keen interest in the development of Aircraft Engineers who can spare some time and are able to visit the AEI Executive Board meetings in Hoofddorp on a regular basis. The AEI board meets in person 4-5 times a year mainly on weekend days. Experience itself is not specifically required but can be a big help for certain positions. All functions except the Auditor are elected for a 3 years term. If you have questions concerning the tasks related to a position, do not hesitate to ask me at [sg@airengineers.org](mailto:sg@airengineers.org) of +31 655930175

Positions up for election in 2010 are

- a) Vice President
- b) Public Relations Committee Chairman
- c) Secretary Americas (vacant since AMFA quitted membership AEI)
- d) Trustee B (candidate nominated in 2009)
- e) Treasurer (resigned premature)
- f) Auditor.
- g) Treasurer
- h) Technical Affairs chairman

If you are interested you can ask your organisation to fill in the nomination form and sent it by email or fax to AEI before the 21<sup>st</sup> of September 2010

Sincerely Yours

Fred Bruggeman  
AEI Secretary General
